

Insignia Technology Services Awarded Large IDIQ to Provide Contracted Advisory and Assistance Services to the United States Air Force

Newport News, November 29, 2011 – Insignia Technology Services is proud to announce it's one of twenty-nine awardees on a **\$4.7 Billion Dollar Multiple Award Indefinite Delivery, Indefinite Quantity (ID/IQ)** contract to provide **Contracted Advisory and Assistance Services to the United States Air Force**. <http://www.af.mil/>

Insignia was one of only five small businesses that were selected to compete for task orders in the full and open competition pool, as well as the small business competition pool.

Contracted Advisory and Assistance Services (CAAS IV) exists to meet the advisory and assistance services needs of the Air Force Air Combat Command and Air Force District of Washington. Requirements include providing support services in the areas of management and professional support services; studies, analyses and evaluations; and engineering and technical services.

Insignia is proud to be serving this great customer and we look forward to assisting the Air Force in achieving their program goals and mission.

Insignia Technology Services, LLC is a **Service Disabled Veteran Owned Small Business** headquartered in Newport News, VA, and is one of the fastest growing businesses in the United States.

Insignia is a leading provider of information technology services and solutions. Our core competencies are full system life cycle support of complex mission critical enterprise solutions, program management, business process reengineering, architecture, and system/software engineering.
